Residential on 1.18 Acres

N/A, Mount Kisco, NY

Sited at the end of a sought after cul-de-sac of 12 high end contemporary homes in the Chappaqua school district, the original home on this street is waiting for a new owner to rehab/gut renovate or simply knockdown and re-use septic, underground utilities and expansive foundation. Gracious expansive slightly sloping up front lawn, flat backyard, newly repaved shared driveway (#14 to right owns first half, this house has easement to that portion). A "diamond in the rough", great potential, all other houses on the street are of much higher value, this opportunity is being sold "as is". Recent septic inspection by H.P. Barnes passed, above ground oil tanks, some updated utilities, high ceilings, and great stone fireplaces on main and lower level. High ceilings, wide board wood floor, en-suite full baths. Handy man special waiting to be improved, bedroom count being verified., quick closing offered. Express Chappaqua train commute.
