The Big Reveal! Access from the downstairs rear is now possible and what a pleasant surprise it has been ! This attractive solid brick building has been a sleeping beauty and is in decent shape, generous rooms with lovely proportions, beveled glass doors and a beautiful solid staircase! This is a blank canvas to reconfigure and restore this property to be exactly what you want it to be- and you can benefit from extensive HVAC rebates and historic tax credits since the building is a great candidate for both 444ATax Exemption and SHPO Tax Credit Program being located in the East End Historic District. This is an increasingly rare opportunity to make a mint, brand new home in the rapidly developing historic City of Newburgh which also has the potential to be converted to a 2 family !

Built in 1900
