Cash buyer is trying to finance. Should be back on market soon.

This charming three-bedroom, two-bathroom home is a canvas waiting for your personal touch. Freshly painted on the exterior, this well-maintained property offers a solid foundation for your design ideas. Inside, youâ€™ll find ample potential for updating with new flooring and paint to truly make it your own. Nestled on a spacious lot, the home boasts a fenced yard, complete with a pool (with a new liner stored in the garage), a shed, and a large dog houseâ€”perfect for outdoor living and entertainment.

The two-car garage and newly paved driveway provide plenty of room for vehicles and recreational equipment.

Come spring, the yard transforms into a stunning garden with vibrant crocus, daffodils, tulips, and a variety of beautiful plants including forsythia, hydrangeas, peonies, dogwoods, flowering crabapple, and more. Mature trees like copper beach, oak, birches, and three large sugar maples (ideal for maple syrup production) provide a picturesque backdrop. A large Macintosh apple tree greets you right outside the front door, offering fresh fruit each season.

Enjoy warm evenings on the expansive deck just off the dining room, where you can relax,

entertain, and take in the natural beauty of your private outdoor oasis.
