Residential Income on 0.24 Acres

N/A, Brewster, NY

A very unique property in an ideal location near the train station! First structure is a large residence, but the last use was an office on the main floor. The second structure is a single-family home (11 Oak Street). Third structure is a Barn. All 3 structures are part of this property and all 3 are not in good condition. More than TLC is needed. This property is in the heart of the Village of Brewster. The Village of Brewster is about to go through a massive urban renewal project, and this property is in the zone of this redevelopment. Based on the condition, all cash offers only and sold as is.

Built in 1965
