Accepted offer. As you approach this charming home, you'll immediately notice its curb appeal, highlighted by updated wide paver steps leading to a spacious enclosed front porch with brand-new flooring. In fact, new flooring extends throughout the entire home. This home has been thoughtfully updated, featuring a new roof, new driveway, and a new gas range in the kitchen. As you move through the inviting living area into the formal dining room, you'll appreciate the built-in features that enhance the home's original character. Upstairs, you'll find three bedrooms, plus an additional space that could serve as a fourth bedroom, home office, craft room, walk in closet, or whatever suits your needs.
