Mystic Pointe, Ossining, NY

There is something special about Mystic Pointe, as you enter the gates you will see that it is a place like no other. 19 High Ridge Road, a tri-level Biscayne end model is in the heart of Mystic near the end of a cul-de-sac. It offers a light filled main-level layout with an updated kitchen, a living-dining space with a wood-burning fireplace, plus sliding glass doors to the extended deck, an updated powder room, and an entrance to the two garage. The second level has a generous-sized bedroom with a walk-in closet, additional closet, and en-suite full bath, plus an additional bedroom, hall bath, and wonderful office/den. The lower level is large enough for separate sitting areas, a workout area, or more plus a laundry room, furnace room, and separate large walk-in storage. And Mystic Pointe has so much to offer, two pools, one for adults and one for children, a clubhouse with a full kitchen, a tennis/pickleball court, and a warm and welcoming community with weekly bridge night, and barb-a-queue for starters. And since you won't have to shovel any snow, mow a lawn, or paint or repair the exterior of your home, you will have plenty of time to enjoy all that Mystic Pointe has to offer.
