3 Bedroom, 4.00 Bathroom, 4,220 sqft

Residential on 3.60 Acres

N/A, Briarcliff Manor, NY

Extraordinary modern home by renowned local architect Ferdinand Gottlieb. Created with an evocative sense of design in the International Style of Architecture. The progression of floor to ceiling glass lends itself to a subtle magnificence all the while complimented by a surrounding lush 3.6 acres. This seamless blending of the grounds viewed continuously from the interior creates the perfect symbiotic relationship between nature and home.

Situated perfectly on the property, the private drive winds down past the green lawn and coy pond to arrive at your doorstep. Stepping through the elegant entrance, you immediately sense something special. Walls of glass, clerestory windows, high ceilings, gallery-like presentation walls engage the senses as you enter. One may live to regret the separate in-law or guest suite which will be in full use when your friends or relatives discover the resort style setting and outdoor pool. An easy drive to the Scarborough station. Live within art! Additional Information: HeatingFuel:Oil Above Ground,ParkingFeatures:3 Car Attached
