Welcome to 8 Fordal Road in Bronxville, a handsome stone and stucco Tudor set on a well landscaped level lot and brimming with extraordinary architectural details. The stunning stone entry way sets the vibe for the expansive living room punctuated with an original beamed ceiling, ornamental plaster relief details and an oversized fireplace with its hand hewn mantle and arched brick surround. The living room provides airy French door access to both the front and back terrace. Beyond the living room, a large enclosed sunroom lets in immense light from three sides. On the other side of the center hall, the banquet sized dining room leads to a large eat in kitchen with access to a back terrace as well as a cozy den and half bath. Half way up a dramatic stair with beautiful south facing leaded glass window, there is a sweetly tucked away powder room. On the second floor, the oversized primary bedroom has a large dressing area and a super spacious en suite bath with double sinks and a spa tub. Three additional large family bedrooms and a hall bath complete the second floor. The lower level is highly functional with its 400 sf freshly painted rec room, laundry area and a true 2 car attached garage. Central air on the second floor, a well maintained slate roof and a great backyard. This home sits on a lovely quiet street so close to Bronxville's nature preserve and dog park as well as Siwanoy Country Club.
