3 Bedroom, 3.00 Bathroom, 2,718 sqft

Residential on 0.21 Acres

N/A, Pelham, NY

This is a great opportunity to get into a tudor from a time when homes were built properly. This home has incredible bones and has been updated through the years. One such update was the cathedral ceiling in the master bedroom. It is a statement piece and very unique addition to this classic tudor. There are hardwood floors throughout most areas besides the kitchen and bathrooms. The interior walls have beautiful stucco and dark wood trim. The laundry is conveniently located in the kitchen area on the first floor and not down in the basement like many other homes. The master bathroom has a dedicated bath as well as a stand up shower. The walk up attic makes storing your holiday items incredibly easy. Not only is there a gorgeous stone fireplace in the main living room but there is a second one in the basement as well. The Garage can easily house two cars in tandem with two more in the driveway. There are also two outdoor areas. The cover patio in the front as well as the patio off the dining room which makes for a great barbeque area with room for a table. You will be seconds away from the Hutch parkway, and just around the corner from shopping and food options. This is the home you have been waiting for in Pelham Manor. Multiple Offers received, The seller is asking for all best and final bids to be in by Wednesday 4-2-25 by 5pm. Thank you. Accepted offer 4-2-25 no more showings
