Residential on 3.78 Acres

N/A, South Salem, NY

Tranquility prevails on 3.7 private beautifully landscaped, level acres with a heated pool, spa, and waterfall. Vintage stone walls, adding character, surround this idyllic South Salem property, the heart of which is a thoughtfully updated and expanded three-bedroom, Adirondack-style home. A stepping-stone path leads to the inviting front porch. Inside, welcoming living and dining rooms flow easily to the eat-in kitchen, which features unobstructed views of the lush, fenced pool area. A cozy den offers a peaceful retreat adjacent to the bedroom hallway. Two generously sized family bedrooms (one currently used as an office) share a full hallway bath and boast walls of ample closet space. The expansive primary suite is a rustic sanctuary with an impressive, vaulted ceiling, oversized bath, laundry, and plenty of soft natural light. Maple and terracotta floors and authentic honey-pine walls add warmth and charm throughout the home. Outside, recreational possibilities abound thanks to the pool area, broad lawns, vibrant gardens, and three outbuildings, including a three-car garage, an additional one-car garage, and a storage barn. Recent enhancements include an irrigation system, pool lighting, a whole-house generator, and central air conditioning. Just minutes from the quaint hamlet of South Salem, with convenient access to dining and shopping in Cross River and Ridgefield, and outdoor activities at Lewisboro Town Park, this property offers a

lifestyle of ease, comfort, and tranquility.
