RECENTLY RENOVATED & GREAT LOCATION! This well-maintained and recently updated Cape Cod in the heart of New Windsor makes the most of every square foot, both inside and out! A brand-new kitchen featuring granite countertops, custom built-in storage, stainless steel appliances, and a sliding door to the deck is perfect for cooking and indoor/outdoor entertaining. The bathroom and window treatments have also been tastefully updated, adding to the home's fresh, modern appeal, with hardwood floors the most of the main level. A new roof and furnace in 2020 seal the deal!

One of this home's standout features is its highly accessible layout, with almost all living areas—including the bathroom and two of the three bedrooms—conveniently located on the first floor with no stairs. That said, the oversized, upstairs primary bedroom can not be overlooked! The fully finished basement (not included in the listed square footage) provides A TON of bonus space ideal for a den, movie room, recreation room, home office, and additional storage.

The outdoor living area is just as impressive, with a spacious, fully fenced backyard, a deck for entertaining, and a cozy firepit area—perfect for relaxing or hosting gatherings. The home also offers garage access, ample driveway parking, and central air conditioning for year-round comfort.

Location is everything, and this home delivers with easy access to major roadways such as Route 9W, I-87, and I-84. You are just 15 minutes to the Beacon Train Station with routes to NYC, 20 minutes to the gates of West Point, and only 10 minutes to Stewart International Airport and Stewart Air National Guard Base.
