

\$1,899,000 - 110 Mildred Parkway, New Rochelle

MLS® #844738

\$1,899,000

5 Bedroom, 6.00 Bathroom, 4,600 sqft

Residential on 0.43 Acres

N/A, New Rochelle, NY

This stunningly reimagined Tudor in the Bonnie Crest neighborhood of New Rochelle has preserved timeless architecture with extensive modern upgrades. Set on a shy half-acre of beautifully flat grounds, this 5-bedroom, 6 bathroom residence spans an impressive 4,600 square feet (not including the expansive basement).

From the moment you step inside, youâ€™re met with sunlight cascading through large restored double paned windows, highlighting refined finishes including inlaid hardwood floors and graceful arches.

The gourmet kitchen is a chefâ€™s delight, anchored by a La Cornue stove, a deep farmhouse sink, abundant custom cabinetry, and radiant underfloor heating. Whether hosting in the formal dining room or relaxing in the living room, den, or sunroom, the main floor flows with purpose as restored French doors open to large front and back patios, allowing indoor-outdoor living.

Upstairs, the primary suite offers a true sanctuary: soaring 10-foot coffered ceilings, motorized window shades, three closets (one cedar) and a spa-like bath with double vanity, radiant flooring, shower, and soaking tub. Each of the additional bedrooms includes an en-suite bathroom, ensuring privacy and luxury for all. The 5th bedroom currently used as an office has a separate staircase, making it ideal for an au pair, nanny or granny flat.

The finished basement adds functionality with a large laundry and craft room with quartz countertops, an island, and ample storage in the utility room. French doors open into a gym with an Endless Lap Pool, which allows year-round swimming. Step outside into a backyard oasis—flat, private, extending well beyond the hedges. The mature landscaping and a custom pondless waterfall add to the ambience.

The vast improvements made to this classic Tudor modernize it for today’s living, creating a rare find in a coveted neighborhood.

Built in 1931
