Welcome Home to timeless charm and modern comfort. Like a warm embrace, this enchanting 1920s red brick Colonial invites you in with classic elegance and thoughtful updates throughout. Tucked in a picturesque and sought-after residential neighborhood just minutes from vibrant shops, dining, and Metro-North train, this home offers the perfect blend of old-world craftsmanship and today's conveniences. From the moment you step onto the covered front porch, you'll sense the enduring quality and craftsmanship of a home built to last. Inside, you're greeted by freshly painted interiors and stunning original hardwood floors with inlaid borders that flow throughout the main and bedroom levels. High ceilings in the formal living room create an airy ambiance, while new Andersen windows and a wood-burning fireplace add warmth and efficiency. Adjacent to the living room, a light-filled sunroom with Andersen windows and gleaming hardwood floors provides a cozy retreat or reading nook. From here, step out to a spacious screened-in porch with ceiling fans—an ideal seasonal haven for entertaining, relaxing, or dining al fresco. Enjoy peaceful backyard privacy and even seasonal distant Hudson river views.

The eat-in kitchen features updated appliances, including a Frigidaire refrigerator and Bosch dishwasher, new windows, and a ceiling fan for year-round comfort. A convenient powder room is just off the kitchen. The formal dining room, freshly painted and

filled with natural light from its double exposures, is perfect for hosting holidays or intimate dinners. Upstairs, the generous primary suite includes an en-suite bath and a sun-drenched sitting room with built-in bookshelves—ideal for a home office or private retreat. Two additional bedrooms offer large closets and beautiful hardwood floors. A walk-up attic (not included in sq footage) provides additional storage or future expansion potential. The expansive basement, with large windows overlooking the driveway, is a blank canvas for your dream home gym, playroom, or media room. The Weil-McLain boiler and young hot water heater ensure efficient systems, and there’s ample closet space throughout the home for seasonal and year-round storage. The circular driveway winds behind the home for easy flow and access to the oversized two-car garage, which accommodates up to four cars tandemly—an exceptional bonus for car enthusiasts or multi-driver households.

This is more than a home—it’s a lifestyle. A rare opportunity to own a character-filled, move-in-ready Colonial in a prime location near everything Westchester has to offer.
