Welcome to this beautifully maintained Center Hall Colonial, perfectly situated at the end of a peaceful cul-de-sac in Briarcliff Manor. Set on .94 acres of level land, this spacious home offers more than 3,000 square feet above ground, with four generous bedrooms, two and a half baths, and a private main-floor office. From the moment you step inside through the newer steel front door with leaded glass sidelights, you'll feel the home's comfortable elegance. The main level features a welcoming foyer; sun-filled living and dining rooms with hardwood floors and classic moldings; and a cozy office with French doors and recessed LED lighting. The kitchen, with granite countertops and a center island, is well-equipped with a SubZero refrigerator, wall oven, gas range, built-in microwave, dishwasher, and a pantry with slide-out shelves. A bright breakfast area opens to the rear paver patio, bordered by a stunning hand-laid stone wall—ideal for outdoor gatherings. The dramatic family room, with its cathedral ceiling, hardwood floors, built-in speakers, and wood-burning fireplace, adds a touch of grandeur while maintaining a relaxed vibe. French doors provide additional access to the backyard. A convenient mudroom/laundry area features a slop sink, a closet with audio controls for the indoor/outdoor speaker system, and a LG washer and dryer (2023), with direct access to the attached two-car garage. Upstairs, the new runner (2025) leads to four comfortable

bedrooms, including a luxurious primary suite with a tray ceiling, dressing area, two walk-in closets, and a spa-like bathroom with a Kohler whirlpool tub and marble-top vanity. The additional bedrooms offer plenty of closet space, custom features, and access to attic storage. A spacious hall bathroom with double sinks and a linen closet serves the secondary bedrooms. The home also includes a large, unfinished basement offering tons of storage space and endless potential for future customization—whether you envision a home gym, workshop, or recreation area. Additional features include hardwood floors with mahogany inlay on the main level, updated wood floors upstairs, fresh paint in many rooms (2023), Andersen windows, six-panel doors, built-in speakers in the family room and on the patio, a central vacuum system (2020), a 9-zone irrigation system, a young roof (2013), and numerous updates to HVAC and appliances over the years.
