A Rare Architectural Masterpiece in Westchester.

This bold and minimalist residence, crafted from cement, steel, and glass, is a seamless blend of art and architecture. Designed by acclaimed New York architects Juergen Riehm and Aryeh Siegel, the home is a stunning realization of the owner's vision: strikingly modern, yet warmly inviting.

Retractable floor-to-ceiling windows and thoughtfully placed skylights dissolve the boundaries between indoors and out, flooding the home with natural light and connecting every space to the lush surroundings. The residence offers an unparalleled living experience, where each season becomes a living artwork—spring blooms, summer greens, autumn colors, and winter's hush all enhance the home's mystique, adding layered and immersive character.

Though tucked in a peaceful, private location, you're only minutes from the charm of Tarrytown, Metro-North, acclaimed dining, and the sweeping vistas of the Hudson River. Looking for a pool? Possible pool site available!

A living work of art. A sanctuary of design and nature.

Welcome home.
