Residential on 0.01 Acres

Mystic Pointe, Ossining, NY

Inside the quiet, gated community of Mystic Pointe high above the Hudson River, this pristine three-level end-unit townhouse is airy, sunlit and designed for easy living. Updated six years ago and beautifully maintained since, it's completely move-in ready. The main level features a chef's kitchen with stainless steel appliances and a gazebo-windowed dining area that catches the morning light. The living room offers a cathedral ceiling with skylights, a wood-burning fireplace and sliding glass doors that open to a deck overlooking the pond. A bow-windowed dining room and hardwood floors throughout add warmth and character. The primary bedroom with its ensuite bath, walk-in closet and 2 additional closets is also on this main level, as is the powder room, laundry room and access to the garage. Upstairs, you'll find a second bedroom with ensuite bath and a walk-in closet, a large loft overlooking the living area and an office/den with skylights. The finished lower level adds a large rec room, a second fireplace, bar, full bath, office/storage room, wine cellar (or walk-in closet), and sliding glass doors to a private patio with pond views. As a Mystic Pointe resident, you'll also enjoy access to the clubhouse with a full kitchen, fitness center, two swimming pools, tennis and pickleball courts, and a nature trail. Plus, you're just minutes from shopping, dining, entertainment, the Croton-Harmon train station and major roadways – so you're close to

everything, yet quietly removed from it all.
