Butter Hill Estates, New Windsor, NY

This stunning Raised Ranch in Butter Hill Estates was fully renovated in 2021...so all you have to do is unpack! You will love all the upgrades, starting in the kitchen with granite countertops, stone tile backsplash, stainless steel appliances (including a double-oven), beautiful center island with built-in wine storage and the wide open floor plan. All the hardwood floors are new and flow seamlessly throughout the home, and all the windows were replaced. The formal dining room has a new slider with blinds between the glass that opens to a large, wooden deck. Completing the upper level are the Primary bedroom (with new en suite bathroom), 2 additional bedrooms and the main bathroom. Downstairs there is plenty of space to hang out with the large Family Room and Bonus Room. There is also a half-bath on this level, as well as a laundry room. Central air was added in 2020, and the electric was upgraded at that time to 200 amps. The large, level back yard is completely fenced in (with solar lighting) and includes a patio and 12' x 24' shed for storage. And just in time for summer is the NEW POOL! Butterhill Estates is close to all major highways, public transportation, Metro North and Stewart Int'l Airport...it's a commuter's dream.
