MLS® #856481

\$500,000

3 Bedroom, 2.00 Bathroom, 1,697 sqft
Residential on 0.13 Acres

N/A, Peekskill, NY

This historic Victorian home is just far enough from Main Street to give a quiet suburban feel, with all the conveniences still only a few blocks away- shopping, restaurants, theatres, even the Metro-North station is less than ten minutes away.

The ornamental details of this home have been lovingly preserved. As soon as you see the classic Victorian turret, the ornate pediment, and the turned columns adorning the wraparound porch, you will be captivated by the uniqueness of this home, and reminded of a time when this type of craftsmanship was the standard.

Inside you will be charmed by the stained glass windows and abundance of natural light shining on hardwood floors. The living room and dining room flow nicely together, unless you want to glide the pocket doors closed for a more cozy feel. In the back of the house you have the kitchen with access to your backyard as well as a pantry and stairs to the basement with ample storage space.

Winding your way up the whimsical curved stairs you find yourself on the second floor, again with hardwood floors throughout, as well as ample natural light. Here you have 3 bedrooms, and a full bath. The primary bedroom even has its own dressing room to one side

Finally the walk-up attic, providing tons of space for storage, and the unique round room inside the turret!

Built in 1890
