Perfectly located and nestled on a quiet street within 0.5 miles from the Larchmont train station and within short stroll to the best of Larchmont Village, shops, parks, and the LI Sound, this beautifully reimagined and luxurious residence presents a rare rental opportunity!

Inside, a welcoming vestibule with a coat closet leads into a spacious formal living room where a gas fireplace creates an inviting focal point. Designed for both entertaining and everyday enjoyment, the expansive, and refined space features french doors that open to a beautiful, sun-filled sitting room. Currently a home office, this bright room is framed by three walls of oversized windows, offering picturesque views of the property and truly brings the outdoors in.

The generously-scaled formal dining room is positioned off the opposite side of the living room and features glass doors that open directly to the expansive deck and level backyard - providing a seamless layout for indoor-outdoor living. The dining room also opens to the updated eat-in kitchen. The thoughtfully appointed all-white kitchen includes a floating center island with seating, modern appliances, custom cabinetry with

glass inlays, and direct access to the large deck overlooking the level and private backyard setting.

Located right near the kitchen, a spacious and beautifully finished family room with new hardwood floors and custom built-ins, (currently enjoyed as a playroom), enhances the home's spacious and versatile open layout. A powder room is discretely positioned off the entrance hall and completes the main level.

On the second level, four bedrooms and two full bathrooms includes the heavenly primary bedroom suite. The spectacular and sun-filled primary bedroom features an oversized window seat offering additional seating or a cozy place for reading and relaxation. A long wall of custom-fitted closets provides both elegance and practicality, while a custom dressing area with laundry leads to the STUNNING ensuite primary bathroom. Featuring a cathedral ceiling, luxe finishes, an oversized glass-enclosed shower with built-in seating, and a modern double vanity with storage, the brand new primary bathroom exudes luxury and style.

Three additional well-proportioned bedrooms and a beautifully renovated hall bathroom with a tub and shower complete the second level.

Outside, the fully fenced, level backyard offers a private and picturesque setting for recreation, entertaining, and everyday enjoyment.
