3 Bedroom, 4.00 Bathroom, 3,265 sqft

Residential on 0.18 Acres

N/A, Pelham, NY

A bell tower and a red tile roof catch your eye on this 1927 stucco Mediterranean. Inside, it features modern comfort and spacious rooms. Upon entering, you'll find a dramatic living room with a cathedral ceiling and a unique balcony. Then proceed to a lovely formal dining room, a charming sunroom, a full hall bath, an au pair room or office, a powder room, and a modern kitchen looking out to a well-maintained lawn and garden. There are three spacious bedrooms on the second floor: the primary with a full bath and step-in shower, the second with a queen Murphy bed and matching desk and cabinets, and the third which can fit a king-size bed. A hall bath with a Jacuzzi rounds out the second floor. This generous layout is both versatile and inviting. The basement boasts 1400+ square feet, perfect for a recreation room or extra living space, plus a pleasant laundry room, cedar closet, and storage. A two-car heated garage completes the floor plan. This rare gem in the heart of Pelham Manor is just steps to Prospect Hill Elementary and one mile to the Pelham train station. All appointments must be made with the listing agent.
