Residential on 0.37 Acres

Charming 4 bedroom Cape near Algonquin Park: There's a lot to like about this affordable gem - and with a little TLC could be your dream home! In addition to being located just a short walk from beautiful Algonquin Park - and very close to shopping, dining, entertainment & transit, it also has its own level, park-like backyard and wonderful stone garage with large factory-style windows & tons of potential. On the main level, there's a spacious & open eat-in kitchen with nice natural light and access to the enclosed rear porch, two bedrooms, a full bath, and the living room with a wood-burning brick fireplace. Upstairs, there are two more bedrooms and a 1/2 bath. Years ago, the ceilings on this level got water damage from a rood leak. The roof has since been replaced & renovation of the second floor was started, but was never completed. There's also a full basement with lots of space & potential - and a new gas boiler. This one is ready for you to take it to the next level & make it your own - don't miss it!
