A Year-Round Retreat: Welcome to this stunning 4-bedroom, 2.1 bath Colonial/Contemporary home, where space and function work in harmony. Located in the heart of Somers, perfectly situated on a cul-de-sac street near top-rated schools, shopping, and transportation, this home is an entertainer's delight, offering the best of both indoor and outdoor living.

As you step inside, the bright, open two-story entrance immediately sets the stage for the expansive, sun-drenched floor plan. With generously scaled rooms, soaring ceilings, and an abundance of natural light, this home provides the perfect backdrop for both casual gatherings and elaborate holiday parties. Freshly painted and thoughtfully updated, every inch of this home reflects careful attention to detail and year-round enjoyment.

The kitchen is spacious and functional, featuring custom wood cabinetry, granite countertops, and stainless steel appliances. Whether you're making a quick meal or preparing something special, this kitchen makes it easy to cook and entertain. It flows into the dining room and cozy family room, which has a stately brick hearth—perfect for spending time together or for cocoa with the crowd on snow days! Sliding glass doors open to the backyard so you can step outside to your private oasis, where an expansive deck, sparkling inground pool, and beautifully

landscaped stone patios await. With multiple areas for outdoor dining, lounging, and enjoying the lush perennial gardens, your home becomes the go-to spot for summer BBQs, pool parties, or simply unwinding after a long day.

The first floor also features a mud/laundry room, powder room, a well-proportioned dining room, and a striking two-story living room with a floor-to-ceiling brick fireplace -- perfect for finding your quiet place in the house or for hosting those larger-scale events.

Upstairs, the spacious master suite is a comfortable retreat with an updated bath, walk-in closet, and plenty of room to relax after a long day. Three additional bedrooms, a full bath and a large walk-in attic offer plenty of space for storage or extra room to grow (think mini-playhouse!)

The lower level is made for fun and relaxation, with versatile spaces for recreation, dedicated storage rooms, and a convenient walk-out that opens to the lush yard, bringing the beauty of nature indoors. And the whole house is kept running comfortably with an efficient and powerful diesel generator.

Every detail of this home is designed to love where you live, whether you're hanging indoors by a fireplace or outside by the pool. Youâ€™ll never want to leave!

Located just moments from local schools, shopping, train stations, and major highways, this home offers the perfect blend of convenience and luxury. Note that taxes do not reflect the STAR savings of \$1,586.49 (for those who are eligible). This home is waiting for you for summer fun and be settled in before school starts! Come make this your home for every season! Floor plans, survey,

and feature sheet (with utility costs) available upon request.
