Historic 1800s Country Escape with Modern Comforts—Just Over an Hour from NYC. Step into a rare blend of heritage and comfort in this recently renovated home, originally built in 1800. Nestled on peaceful grounds surrounded by classic farmland and rolling hills, this property offers the perfect weekend retreat or full-time sanctuary. Steeped in character, the home retains its original wide-plank wood floors and hand-hewn exposed beams—beautifully balanced by contemporary upgrades throughout. The open-concept layout connects the spacious living, dining, and kitchen areas, creating a warm and welcoming flow ideal for both everyday living and entertaining. The living room is rich with rustic elegance, featuring wood tongue and groove paneling, custom built-ins, large windows that flood the space with natural light, and a whole-house audio system that extends to the kitchen and outdoor patio. The updated chef’s kitchen features custom cabinetry, Carrara marble countertops, high-end Viking and Sub-Zero appliances, built-in wine fridge, and a spacious center island, all while preserving the home’s historical integrity. One of the property’s rarest features is its beautifully preserved original stone well—a striking centerpiece that tells the story of the home’s early days and offers a tangible link to its 19th-century roots. Additional updates include a recently paved driveway, whole house generator (Generac), security system, updated air

conditioning for year-round comfort, and tastefully selected furnishings—some of which may be included or purchased for a truly turnkey experience. Step outside and enjoy resort-style living with a private, heated in-ground saltwater pool surrounded by lush landscaping, perennial flower beds with irrigation system, and a vegetable garden. A climate-controlled shed has been converted into a fully equipped, air-conditioned home gym which could also be a detached home office or studio. The charming chicken coop adds a touch of rustic lifestyle appeal and lends itself to a truly organic lifestyle. Enjoy peaceful mornings on the bluestone patio or under the shade of mature trees, surrounded by the quiet hum of nature. The land invites gardening, recreation, or simply soaking in the serenity. Located just minutes from charming local villages, antique shops, farmers markets, and hiking trails, this one-of-a-kind property is your gateway to historic country living—with the ease of access to NYC.
