Waterview Estates, Ossining, NY

Located within the renowned Waterview Estates in Ossining, this house and property is simply STUNNING! Starting outside, the curb appeal of 32 Waterview is immediately on display. This classic Colonial with a rocking chair front entry porch, the handsome circular stone wall with a Japanese Maple as its centerpiece, and double wide driveway to comfortably accommodate residents' and guests' vehicles make for a warm welcome. In the back, a large Trex deck with two entries into the house encourages both relaxing AND entertaining guests, and the steps down to a great patio that can be used for a play area, firepit spot, and more. The outside is made complete with the expansive, completely fenced in backyard, amazing play set, and two gates from the fence leading to the nearby trails that run through the municipal-owned, non buildable land beyond the property. And the landscaping - Hydrangeas, boxwoods, and other custom plantings make the entire outside area an oasis! For even MORE enjoyment in the great outdoors, The Teatown Reservation entrance is less than three miles away, and Gerlach Park is a half mile away. Inside the house, you will notice the open floor plan right away. Refinished hardwood floors throughout the main level flow from room to room for comfort and convenience, and finishing touches abound, including crown molding, stunning chandeliers, beautiful window appointments, and a gas fireplace in the family room. The eat in kitchen with large breakfast

nook is truly a chef's kitchen, with GE Profile and Monogram appliances including a beverage refrigerator and induction stove top, a huge double door pantry and more. The second level features four bedrooms, all with plush, wall to wall carpeting. The primary bedroom includes TWO walk in closets, a sitting area (that could even be an office), and the ensuite, custom bath with double sink vanity, Jacuzzi tub, and large glass enclosed shower. All of the other three bedrooms smartly include double closets with their own lights accessed from switches in the bedrooms. Separate from the four bedrooms, with its own entry and staircase off of the kitchen, is the Bonus Room! So much flexibility here, it can be for guests, or used as a playroom, office, home gym - SO many options. Finally, all the way down the basement is a TRULY expansive, finishable space with high ceilings and a walkout, sliding glass door to the side yard. This amazing house and property is frankly an absolute MUST-SEE if you are looking for one of the most stunning homes in Ossining! Taxes with \$1659 STAR discount would be \$26,796.
