Residential on 2.92 Acres

N/A, Lagrangeville, NY

Sited on a beautifully cared for and expansive lot on a quiet country road, this well-built ranch offers quality appointments such as a stone fireplace, granite counters, stainless appliances and hardwood throughout. The lower level is a shop, storage space for owners various "toys" for outdoor enjoyment, or can be reimagined as studio, gym or yoga space. Used primarily as second home by its current owner, it's a good first time or downsizer as well.

The wood sheds are brand new upgrades and will hold a winter's worth of firewood to keep you warm and cozy while the snowfall softly surrounds you on your return from walks in the winter wonderland that will envelop you here. Craving that country escape? Located close to the Taconic State Parkway, you have wide open space and farms surrounding the immediate area, with peace and quiet for fall apple picking and foliage views, right from your front porch. The expansive yard is going to make any furry family members feel like they've landed in heaven with plenty of spots to sniff and snout for deer and wildlife scents. This perfect little home will be gone very fast, so don't delay your viewing!
