Residential on 1.38 Acres

N/A, Briarcliff Manor, NY

Impeccably maintained and artfully styled, this four-bedroom, three-and-a-half-bath French Country Colonial marries refined elegance with effortless modern living. Step through the double front doors into a dramatic two-story foyer, where rich hardwood floors and graceful millwork introduce interiors that flow seamlessly from room to room. At the home's heart, an open-concept core living room with gas fireplace, formal dining room, window-wrapped sunroom, and sophisticated built-in bar creates an entertainer's playground as welcoming for quiet cocktails as it is for festive holiday gatherings. Everyday life centers around the chef's eat-in kitchen and a vaulted family room anchored by a floor-to-ceiling, wood burning stone fireplace. French doors blur the line between indoors and out, leading to custom-designed patios framed by pergola, specimen trees, vibrant flowerbeds, and low garden walls—an idyllic backdrop for alfresco dinners or lazy weekend mornings. A thoughtfully designed mudroom corrals gear and groceries and offers direct access to a private guest or au-pair suite over the garage, complete with its own bedroom and full bath. Upstairs, the serene primary suite pampers with a fireside (gas) sitting area flanked by built-ins and a spa-inspired bath featuring a deep soaking tub, glass-enclosed shower, and dual vanities. Two additional family bedrooms are bright, well-proportioned, and served by a pristine hall bath. The finished lower level

(finished storage)easily flexes as a playroom, gym, or media lounge while still providing abundant storage. With its designer touches, manicured grounds, and a layout that balances day-to-day comfort with show-stopping entertaining, this turnkey residence promises a lifestyle of effortless elegance—simply move in and enjoy.
