3 Bedroom, 4.00 Bathroom, 3,261 sqft

Residential on 0.14 Acres

N/A, Beacon, NY

Simply stunning. This property is currently set up as 3 separate living spaces, each equipped with their own heating/cooling mini split systems, electric meters, laundry facilities, and parking spaces. The layout allows for easy conversion into a large single-family home or can be maintained as separate units for Airbnb rentals, in-law suites, or income-generating opportunities. The interior features custom woodwork that flows seamlessly throughout the staggered lengths of the white oak floors, walls, and detailed trim. Glass rails, glass floors, 15 skylights, breath taking views from one of many decks are just a few of the many unique custom features to be treasured. The main bathroom is adorned with custom painted tiles, double sinks, a two-seated jacuzzi tub, and a spacious steam shower. The attention to detail in this home is exquisite and truly stunning and must be seen for yourself.

Located on a beautifully landscaped corner lot & welcomed by a stunning stone wall you are just a couple short blocks to east end of Main Street Beacon just a short distance to Round House, Melzincap Tap House, Carter's, Wonder Bar, Brother's, Beacon Theater, Howland Cultural Center and much more.

Simply a must see and ask your agent for a detailed list of all the customizations - too many to list here. Additional Information:
