Residential on 0.25 Acres

A/O. Continuing to show as back up.

This lovely home has the best view of the Hudson Valley! as it sits perched on a hill overlooking Storm King. Near the schools and train station, it also happens to be minutes from stores and major highways. While one may wish to make a few updates, it is move in ready.

The Kitchen has new appliances, and the cabinets were updated. The Windows are new, and the hardwood floors are in good condition. The laundry is in the basement, which is a partially finished area that could become a family room.

Besides the fact this little charm is a comfortable ranch style home, in close proximity to everything, other bonuses are the private back yard patio, the views, and the off the beaten track neighborhood. It is not a major thoroughfare, although not a cul-de-sac.

It is a wonderful retirement home and also a perfect starter home.

Any professionals looking for their own investment could make this into a great work/living residence. Additional Information:
