A unique opportunity awaits! Originally a two-family home, this classic colonial in the heart of Mamaroneck is move-in ready, lives like a 4 bedroom, and has great potential to use the private entrance on the lower level to House Hack or create a Mother-Daughter unit. The home features a wood-burning fireplace, an eat-in kitchen, a welcoming mudroom, a rooftop deck, a beautiful modern bathroom, a primary bedroom with an attached bonus room for an office or a dream closet, and an efficient tankless water heater. The full walk-out basement already has additional finished living space, but it's ready for further improvement to add more value. The detached one-car garage can be used as a workshop due to the ample driveway and space for off-street parking suitable for larger vehicles.
