If you're in love with the Hudson Valley, look no further! This sun-drenched, 3-bedroom, 2-bath penthouse offers more storage and living space than a single-family home, plus panoramic views of the Hudson Valley from your own rooftop patio!

Step inside the largest unit in the development, where you'll be welcomed into an open-concept living and dining room with sliding glass doors that lead to your outdoor oasis. The spacious eat-in kitchen features ample counter space and a separate hutch area. The oversized primary bedroom suite boasts an en-suite bath, and the two additional bedrooms offer plenty of room to spread out.

Now, let's talk about the storage! Each bedroom has wall-to-wall, floor-to-ceiling closets, plus you have two large entry closets and an additional walk-in storage closet right inside your unit!

And there's more—you'll enjoy breathtaking Hudson Valley views from every window. A community pool, shared storage space, and two assigned parking spaces complete the picture.
