A 1905 Victorian style gem with the details and personality of that era. Before entering, take a moment on the sidewalk to study the details of this Queen Anne revival: wrap around front porch, Contrasting siding-clapboard below and shingles on the second floor, bay windows, the hallmark turret and a slate roof! Inside features include high ceilings, a wood burning fireplace and built in bookcases- plaster walls and hardwood floors. The classic face of the house is complemented by the sparkling Eat in kitchen with a wall of windows, 3 skylights and updated SS appliances, granite counters and excellent cabinets. Further numerous improvements and good design continue all throughout the house, making for comfortable living. Just a short distance away, there's the village pool, the elementary school and the greenery of Hillside Woods, Just down the hill- the heart of the village with restaurants and shopping is close at hand as is the Hastings Metro North Station.
