MLS® #H6329072

\$1,825,000

3 Bedroom, 4.00 Bathroom, 3,160 sqft

Residential on 0.28 Acres

N/A, Bronxville, NY

This grand work of celebrated architect Lewis Bowman located in a poet's corner at the periphery of Bronxville's Lawrence Park is an excellent example of residential elegance found in the area. It is found in a unique horseshoe shaped grouping of homes in Tuckahoe that is only accessible by Bronxville streets. Period character blended with modern lifestyle comforts and conveniences are consistent with what one finds in the adjoining Bronxville Hilltop neighborhood.

The craftsmanship and detail are exceptional. Bespoke millwork, casement windows, handsome hardwood flooring and substantial interior doors with mostly original hardware are standard. Striking French doors open from the foyer into a gracious living room with a cast stone wood burning fireplace. Casement steel doors lead outside to a wraparound stone terrace and al fresco covered porch.

The spacious dining room accommodates a large dinner party. Updated chef's kitchen with generous cabinet storage and counter space includes a center island and eat-in area.

Also found on the main level are a private study and powder room.

An intricately patterned iron balustrade capped by a brass handrail guides you upstairs to the bedroom level. A large primary en suite bedroom is flanked by an en suite guest bedroom and a second guest bedroom with a dedicated hall bath. There is a conditioned bonus room on the third level and finished space in the basement. Two bay attached

garage.
This home awaits your stewardship into its
next century of refined living. Additional
