Welcome to bucolic Orienta Point! This charming, spacious, sunny Colonial draws you in with curb appeal before it wins you over with its open floor plan, flexible spaces, large windows, and warmth. Wide openings between rooms enhance flow and highlight spaciousness. The double living room is anchored by a wood-burning fireplace and large sliding doors to the brick patio. The dining room's French doors open to the teak deck. The family room can function as a C-Suite WFH space, a media room, or a playroom. The hardwood floors on the first floor have just been refinished. The country-style kitchen has a large butler's pantry and four skylights under which eight to ten people can dine or collaborate on projects. The second floor boasts five bright bedrooms with a sixth room to use as desired. The sunny, primary suite overlooks the garden through a picture window and the en-suite bathroom holds a shower stall and a soaking tub. A convenient mudroom leads to a one-car attached garage.
